FOYLE PORT

COVID-19 GUIDANCE TO SEAFARERS

Currently there are no restrictions in place for crew change and shore leave.

However, crew should minimise going ashore to shopping for food and essentials, medical supplies, necessary appointments and exercise no more than once a day. Crew members with a cough and/or fever should stay onboard the vessel.

Crew ashore are directed to comply with the following guidelines:

- Wash hands immediately before leaving the vessel and immediately after returning to the vessel
- Maintain a minimum 2m distance from other people
- Stay within 2km of their vessel
- Avoid any congested areas
- Only go ashore alone or with members of their own vessel and keep group size to a maximum of 2
- Do not meet up with any other people including family and friends
- Only use public transport if completely necessary
- Carry identification documentation to identify them as crew of a merchant vessel
